NEXT MEETING

SYOSSET – WOODBURY COMMUNITY CENTER

On entering park, turn right at stop sign and follow the road to the end.

It's just about time for even the most die hard skiers to hang up the skis and boards for this season and turn your attention to biking, kiaking, picniking, etc. Although, Killington is still open week ends, and will be open as long as the remaining snow is still skiable; which should be into June this season.

Trips and Events

For trip info, call Lois at 518 945-2667 or Eleanor at 516 938-7078

There is a tentative ski trip planned for January 21 to 26 to Snowmass or Big Sky depending on price. If you are interested, call Lois or Eleanor at the above numbers. Also, any four to five day trips that might interest you, call Lois to discuss.

TRIP INSURANCE HIGHLY RECOMMENDED

Midweek Skiing by Gary Schorr: If you'd like to join us next season, please e-mail Gary at gss12@optonline.net. Include your mobile number. If you were on the list last year there's no need to ask to be included again.
