Next Meeting

Instead of having a meeting in June, we will have a happy hour. It will be June 23 at 5 PM. Please keep the time open. We are looking for a place where it will be convenient for most.

Ski Pass

Many of us who were at the last club meeting in April have purchased the Epic Northeast Midweek pass. This pass, along with many versions of the Epic Pass, is good at Attitash, Wildcat, Stowe, Okemo, Mount Snow and Hunter and a few other mountains. The over 65 pass is now \$291 and the over 80 pass is \$49 for the 22/23 season. I think the prices increase as we get closer to ski season. We are also trying to plan our trips that use the Epic pass.

Trips

Attitash-January 22, 2023 through January 27, 2023.

Attitash resort includes two mountains, Attitash and Bear mountain. In addition, Wildcat mountain is only sixteen miles away. Your Attitash lift ticket is valid at Wildcat. We'll be staying at the Attitash Grand Summit resort, which is ski in/out. The hotel has an outdoor heated pool, hot tub,

Black Diamond Grill, which serves breakfast, lunch, and early light dinner choices and the Taproom restaurant. Neal has reserved 5 each of the following rooms in addition to my room;

Studio Deluxe

Deluxe Rooms feature one queen wall bed, a queen sofa bed, living area, a workspace, and full kitchen.

Max Occupancy: Deluxe (4)

Standard Hotel Room

2 queen beds, Lcd tv, wifi, Some rooms have balconies.

The cost is \$459 per person for double occupancy or \$918 for single. Both include tax.

This is the retail rate. If we book at least 10 rooms, the price will go wholesale and final payments will be reduced accordingly.

Rooms are first come first served.

Lift ticket prices aren't posted yet, but the earlier you buy them, the less they cost.

Again, many of us who were at the last club meeting in April have purchased the Epic Northeast Midweek pass. This pass, along with many versions of the Epic pass, is good at Attitash, Wildcat, Stowe, Okemo, Mount Snow, and Hunter along with a few other mountains, If you go on the Stowe trip and the Attitash trip and a few midweeks at Hunter and a few short overnights at Okemo or Mount Snow, this pass is a homerun.

To save your space, contact Neal Pisanti at nealmichael@hotmail.com and request a room reservation form. Complete the form, enclose a check made out to THE FIFTY PLUS SKI CLUB and mail to

Stowe Mountain-February 26, 2023 through March 3, 2023.

We have decided on the Commodore's Inn which is presently offering a 5-night rate of \$696.20 including taxes that can be canceled up to 24 hours prior to the date. This rate is for 2 people. The rate is for 2 queen size beds with a refrigerator and coffee pot. Call 800-447-8693 as soon as possible to make a reservation. While a credit card is needed to hold the room, no deposit is required. Note the rate does not include breakfast or lift tickets.

Of course if you buy the Epic Northeast Midweek pass, you will not have to buy the lift tickets.

Mt. Snow-January 10, 2023 through January 15, 2023. We are working on getting prices now. **Of course if you buy the Epic Northeast Midweek pass, you will not have to buy the lift tickets.**

Biking

We are now trying to bike each week. If you are not included on the bike email list. Please send an email to Neal Pisante at nealmichael@hotmail.com

Club Dues

We will again start collecting Ski Club dues for the 22/23 season, \$30 for a single, \$45 for a couple. Please send your check made out to the Fifty Plus Ski Club to PO Box 774, Westbury, NY 11590. Please note that this is a new address so if you use on-line banking you should update your payee.
