TRIP INSURANCE IS ALWAYS RECOMMENDED

Midweek Skiing by Gary Schorr: There's snow in the Andes, so we should start thinking about skiing here in the northeast. In addition to our wonderful organized trips mentioned above, we ski midweek locally, most weeks. If you are not on my list, please let me know and I will add you. Send me your e mail address and mobile # at gss12@optonline.net.

Midweek Biking by Neal Pisanti: We had a busy month in July. The first week of the month a large group rode from Shinnecock Canal to Cupsogue County Park for lunch and back. A total of 36 miles mainly along Dune Road. The following week the group headed west and rode from Howard Beach to Coney Island. Back east the following week with a trip from Great River to Patchogue, with lunch at the Brickhouse Brewery. The following week, we took a local ride from Christopher Morley Park through the Brookville/Old Westbury area. The month wrapped up with a ride along the Bethpage Park trail. Thank you to Lou Sabatini, Gary Schorr, Luis Paniagua and Bob Baskind for leading the rides.
