Sunday River is **not** including Lift Tickets in group packages. Instead, they will be providing discounts to group participants. Once we receive them, we will update the trip flier and notify everyone already signed up on the trip. Sunday River will provide a "Link and an Online Booking Code" near to the date of the trip. Each person on the trip will then go online to purchase their individual lift tickets. **Neither** the club or the Trip Leader are involved in this at all. Anyone having an Ikon Pass just has to show up and ski. It should be noted that discounted group tickets are only offered for 4 or 5 days. If you have a Pass and are short a day or two, you may have to pay the window rate. If you are in that situation, it would be better to buy the 4-day discounted ticket.
